▶▶ *How You Can Help*

If you agree to host a party in your home, your annual dues are reimbursed **and** you are provided \$25 to cover your miscellaneous expenses for the party. Couples get one member's dues reimbursed. (If you are unable to host a party, there is an expectation that you will help out at one party during the membership year.)

▶▶ *Would you be willing to host a party in your home?*

- I have the space to host a party for 30 or more men.
 I could host a party for 20–30 men.
 My place is small, but I would be willing to host a party for 10–12 men. (A host is always welcome to set limits on the number of attendees.)
 I am not in a position to host a party, but I am willing to help out at one of the parties this year.

I state that I am over 21 years of age, and I have requested membership information from A.G.N. With my signature below and payment of dues, I authorize A.G.N. officers to send me the A.G.N. newsletter or other club-related correspondence to me as indicated above. I understand and agree that my membership may be revoked or terminated by the AGN Board for failure to comply with the terms stated on the back of this application.
