Old Business:

It was confirmed that Tallwood Drive was the only street where the winter newsletter was not delivered (a mix-up due to bad weather).

Tom Hudson was welcomed as our new webmaster. He has Microsoft Publisher, which will greatly aid publication of the newsletter on the website.

New Business:

Austin Community College would like to make a 10 minute presentation to the BCA. Since a quorum was not present, an informal poll of members was taken as to whether BCA would extend an invitation to ACC. The result was 6 in favor and 1 against, with 2 abstentions. It was recommended that BCA should send ACC a list of questions to be addressed ahead of time.

A question was asked as to the status of the Spicewood Springs to Loop 360 upgrade project. No one knew the answer. A question was also asked as to the status of the Mesa/Greystone utilities work. No word about this lately.

Meeting adjourned at about 7: 40 p.m.
