

CYPRESS MILL NEWS

Cypress mill neighborhood association - SUMMER 2016

THE HAPPENINGS

Hi everyone, I hope your summer is off to a good start. We don't have an event planned for the summer, but if someone wants to organize a 4th of July Parade, like we did a few years ago, please email cypressmill@hotmail.com so we can help get the word out for you.

Officer elections are coming up soon. All officer positions are filled by volunteers and we are currently looking to fill positions for president, vice president, and chairperson of committees (newsletter/webmaster). Volunteer for one of these positions and make a difference in your community! Read the Cypress Mill By-Laws if you want to find out more about these positions:

Thanks and see you around in the neighborhood—Spencer

Cypress Mill social media

Cypress Mill has a few different platforms to find information about the neighborhood. Anything related to the Neighborhood Association from events to restrictions can be found on our website:

<http://main.org/cmna>

In addition to our website, we have a

NextDoor group <https://cypressmill.nextdoor.com>

and a Facebook group <https://facebook.com/groups/110848322281927>

Feel free to use any of these sites to communicate with your Cypress Mill neighbors. Thanks.

What are you favorite flowers?

What are some of your favorite flowers you could grow in your yard? One of my favorite flowers is the hydrangea. The full, blue or pink ball of flowers say "happy" to me. It would be admirable to say that I am a conscientious citizen and that I waited until the drought was over to try to plant one but that would not be true. I have tried to grow them twice before

but did not keep up with the watering every day so the plants died. Most of the other plants in our yard are native to Texas and do not need much care. Will the beautiful, thirsty hydrangea plant survive the summer? Will I remember to water it? Off to a good start!
