

Plot Rental Agreement

South Austin Community Gardens (SACG)

Gardener Name(s) _____

Assigned Plot No. _____

I/WE AGREE TO THESE TERMS AND CONDITIONS AS GARDENER(S)
AT SOUTH AUSTIN COMMUNITY GARDENS:

To secure a plot, gardeners should pay all SACG fees and, to show good intentions, should begin some work in their plot during the first 30 days after being assigned a plot.

Fees: One-time non-_____ -refundable plot rental fees for six (6) months paid upon application. If a plot holder falls three (3) months delinquent in paying their plot fees, they will be given notice by the treasurer to bring their fees up to date or forfeit their plot.

Time commitment: I/We agree to contribute *one (1) hour of community volunteer time per month per plot or half plot* for the maintenance and development of the common areas and to record the hours worked in the volunteer log. Any gardener who *falls six (6) hours behind in volunteer hours* has the option of promptly making up the hours, paying delinquent fees, or a combination of these as described in the Gardening Guidelines (see SACG website). Otherwise, notice will be given to the gardener and the plot will be forfeited and reassigned.

Agreement and Guidelines: I/We have read the SACG Agreement and the Gardening Guidelines and agree to abide by them. I/We agree to follow any safety guidelines. I/We understand that disregard of the terms of this Agreement and the Gardening Guidelines is grounds for loss of gardening privileges at SACG and forfeiture of plot rental fees.
